ABOUT ANT-OFF

Pristine® Ant-Off is a natural, organic ant-repellent spray developed by Clout Bio Innovators Pvt. Ltd. under the Pristine® Product Line. Formulated using botanical extracts, lime derivatives, and essential oils, Ant-Off offers an effective and environmentally responsible solution to common household ant infestations.

Designed for modern homes and food-handling environments, Ant-Off provides reliable ant control without the risks associated with harsh synthetic chemicals. Its formulation supports both human safety and ecological balance, making it ideal for daily and seasonal use.

HOW IT WORKS

Disrupts ant pheromone communication and foraging behavior.

Creates a natural scent barrier ants avoid crossing.

Prevents entry and formation of ant trails.
